

# OUR YEARLY CRISIS!

The Marin County Fair has reserved space for 125 Pinewood Derby cars in the Display Hall because I told them we would have that many. I have in my office 42 beautiful cars.

Help! Every Cub Scout who has made a car this year who is not in the race should have a car on display. If they don't get prize money, they will probably get a ribbon. Bring them in and I will get them where they belong. Registration blanks are in the Trading Post. I need them now . . . . . please.
